Subject: Cortland County, NY - Proposed LNSS

I have received notification from KAM, Dave Keeney #1642 of pending legislation which may possibly be in effect as early as November 30, 1997. Currently no firm details are available, however, I am forwarding along a list of account which will be affected by this proposal for your advanced planning purposes.

Please take this opportunity to advise Chain Headquarter points under your responsibility in order that contingency plans may be put in place.

I will keep you advised as updates become available.

Regards,
Lori MacWilliams
